

# ICE VAULT

**FUNDamental Hockey Camp**  
**For Atoms, Mites 6U & 8U and Squirts 10U**  
**3 Days Monday July 1<sup>ST</sup> to Wednesday July 3<sup>rd</sup>**  
**\$250.00**

**FUN** is the key to emotional engagement, which leads to increased skill development. Hockey is a game, and games are meant to be FUN! That's why **FUNDamental Hockey Camp** is designed to maximize the fun each player has at camp, while developing and honing his/her hockey skills through a variety of engaging activities and games.

The camp will be separated by age groups and ability. Each group will be on the ice for 2 and a half hours each day with 1 hour of outside activities and 45 minutes for lunch. **PRICE \$250.00 for 3 days of camp with lunch included!**

- ❖ The first ice session will focus on the **ABCs** of skating (**A**gility, **B**alance, and **C**oordination) through a variety of stations; small area games; and competition/battle drills. Players will "Play to Learn" which means that through active and engaging ice sessions they will learn the fundamentals of skating through playing instead of the rote old school techniques.
- ❖ The second ice session will focus on puck skills (stick-handling, passing, puck protection, and shooting) and small area games (player vs. player situations). This session will develop a player's overall ability to play with the puck and against other players.
- ❖ Each day will also have a scheduled outside session that will promote the physical, mental, and social well being of the players through enriching games and activities.
- ❖ The camp will focus on maximizing the fun side of ice hockey both on and off the ice. We want every player to go home tired from all the kinesthetic activity and also smiling ear to ear from having so much fun.
- ❖ Full Equipment **MUST** be worn while on the ice. Equipment consists of: Hockey helmet, neck guard, shoulder pads, elbow pads, hockey pants, shin guards, skates, gloves and a stick
