With In The Crease Sports Pub open for business on the mezzanine level over the lobby, we must comply with New Jersey state liquor laws to protect ourselves against any situations of liability as well as fines or loss of license. To that end I want to be crystal clear that the entire Senior Management and all of the staff of the Ice Vault and In The Crease Sports Pub will follow all of the laws put in place by the State and the Ice Vault. First and foremost: we will no further be able to allow ANY alcoholic beverages of ANY kind being brought into our building, locker room, or outside in the parking lot.

The use of recreational marijuana is strictly prohibited inside our building, locker rooms, parking lots or anywhere else on the facility property.

With the responsibility of having a liquor license and a pub on the premises we cannot afford to have any team or member of a team bring any alcoholic beverage into our building. Any lack of compliance will be dealt with in the appropriate manner for us to comply with the law.
